God has created a world exploding with beauty and wonder. His character is revealed in each opening bud and every singing bird. Nature has innumerable important lessons for your young people with an opportunity to get closer to nature and to God. This year, the Alberta Conference is offering an unforgettable opportunity for students in Grade 9 to experience an excellent Outdoor Education program. It will be held from October 2-4, 2018. This year the Outdoor Education activity will be at Camp Warwa. Please note that the Alberta Conference Office of Education is sponsoring and subsidizing the cost of Grade 9 Outdoor Education.

Grade 9 Outdoor Education will be a three-day experience at Camp Warwa. We will be participating in a variety of activities and games that will be lead out by the staff of Camp Warwa. The cost for this trip is **\$50 per student** plus transportation. This fee covers the cost of food and lodging, however we are required to bring a sleeping bag and a pillow.

The **3-Day Morning Arrival Package** allows us to arrive as soon as 10:00 am on our first day, and can stay as late as 1:30pm on our last day. It assumes that we bring our own bagged lunch on Day 1 and that Camp Warwa will provide all of our meals thereafter (vegetarian meals have been requested). Five of our meals will be served in the dining hall, and one meal we would get to cook outdoors over a fire. It also includes an afternoon and evening snack on Days 1 and 2. We will have time to do up to 11 different programs of our choice, in addition to campfire programs and opening icebreaker games.

When you have decided to attend, fill in the enclosed Registration/Permission and Medical Form as well as the Liability form and return it to your teacher. Please pay the \$50 to your teacher. We encourage every class member to participate in this adventure.

Thank you for your support and cooperation in this exciting and valuable program. If you have any questions, please do not hesitate to contact the Alberta Conference Office of Education.
